The Chosen

The Viewer's Guide provides a complete listing of all the video programs available online from World Video Bible School (WVBS). This most current version of the guide is available for download on the WVBS website at <https://video.wvbs.org/viewers-guide/> and is updated weekly.

### What is in this Viewer's Guide?

All the WVBS video program titles in the Guide are listed by category. Each video program listing includes the author, the number of lessons in the program and the overall play time for the program. Except where noted, all video programs are available free for viewing online at the WVBS website <https://video.wvbs.org>, on streaming devices such as Roku, Amazon Fire TV Stick, Google Chromecast, Apple TV and on the WVBS mobile app (iOS and Android). Those video programs that are also available on DVD are indicated in the listings. Not all videos are available on DVD and a few video programs are available only on DVD. The Guide also lists materials, such as posters, which can be easily downloaded for free from the WVBS website <https://store.wvbs.org>. These materials are available in English as well as a number of other languages. **The program titles listed in this Guide provide a direct hyperlink to the video.** On a computer, simply hover the cursor over the title and click (or, on a smartphone or tablet, tap the title) to open the selected video in a new window.

Subtitles created by WVBS are available for many of the video programs listed in this Guide in a number of different languages. **Videos that are currently available with subtitles in Indonesian specifically created by WVBS are indicated here in the Viewer's Guide using a pillow (ꦱ).**

### Videos available in American Sign Language (ASL)

The videos that are currently available in ASL are indicated here in the Viewer's Guide using an asterisk (\*). For a complete listing of the programs available in ASL, click on the 'ASL' tab under "Languages" on the WVBS website <https://video.wvbs.org/>.

### Videos available on the WVBS Online Bible School website

The Viewer's Guide includes the video programs that have been developed and released as part of the WVBS Online Bible School curriculum. The WVBS Online Bible School curriculum covers every book of the Bible, plus a number of additional courses designed to assist a person in their study and understanding of Scriptures. All courses are available for free and are designed for study at-your-own-pace, on your schedule, with no official start time, end time or duration. For further information to register for these free courses see the WVBS Online Bible School website <https://school.wvbs.org/>

### Non-Videos items available from WVBS

WVBS provides a wide variety of Bible study resources including DVDs, USBs, notebooks and posters. Also available are resources for evangelism such as DVDs, tracts, invitation cards & postcards. For a list of materials, as well as a catalogue, see the WVBS store website <https://store.wvbs.org/>

### What's New

The **What's New for You** video provides you a monthly summary of all the new releases, upcoming programs, and highlights of the milestones WVBS has recently achieved. The video will give you a look, behind the scenes, of some of the exciting projects that are in development along with a sneak peek of a few of our interesting projects that are being planned but can only be released by your financial assistance. # Watching WVBS Videos on a Computer, Smartphone or Television

## On a Computer

- To access the WVBS website simply type “wvbs” in your computer’s browser search bar
  - You should see a number of different websites listed
- Click on the listing “WVBS Websites”
  - This will take you to the WVBS home page
- The website will show three columns;
  - “Free wvbs Online Videos”, “Shop wvbs Online Store”, “Free wvbs Online School”
- As the bottom of the first column
  - Select “WATCH NOW”
- You will now be able to enjoy free access to over 2800 faith-building, Bible based videos

## On a Smartphone

- WVBS have a mobile app which will provide you with the most convenient way to access WVBS content from your model device anywhere. You will need to first download the app to your device and set up the app.

## Downloading the WVBS app to your smartphone

- From the browser on your smartphone type “link.wvbs.org” .
  - This will take you to the Apple store (on an iPhone) or to the Google Play Store for an android phone
- You should see the WVBS app. This has a dark blue background with a white W-globe.
- Tap the “**Get**” button on an iPhone or the “**Install**” button on an Android device
- After the app has downloaded to your phone you can leave the app store and open the app from your home screen by tapping the app icon.

## Initial Setup

- Once you have opened the app you will notice there are three options to choose from.
  - **Create Free Account, log in, and Explore content.**
- When you choose to create your **Free account**, you will be asked to provide your **Name, Email Address, and create a password** to use to log into your account.
- After creating your free account, you will have complete and free access to stream the WVBS library. You can download any video of your choice through Wi-Fi or cellular service directly to your smartphone and enjoy watching content offline. In addition to downloading videos, you have the option to save videos to a list. This list will be a quick access hub for all videos you save.
- The **Explore Content** Button take you directly to the app’s homepage.
  - This is the quickest way to start watching content.

A brief video showing how to download and set up the app on your smartphone is available at the WVBS [How to Use Webpage](#)

## On a Television

- When viewing the videos listed in this Guide on your television, using a streaming device such as Roku, Amazon Fire TV Stick, Google Chromecast, Apple TV, a printed version of this guide can assist you in making a viewing selection.

### If the WVBS Channel has not be loaded onto your streaming device

- Using your Streaming Device Remote, click the “Home” button
- Go to “**SEARCH**”
- Using the on-screen keyboard type “**WVBS**” into the search bar
- Navigate over to the WVBS logo. And press “**OK**”
- Select “**Add channel**” and press “**OK**”
- On the confirmation page Select “**Accept**” and press “**OK**” on the confirmation page.
- The WVBS channel will now download to your device automatically.
- After the process finishes, select “**Go to channel**” and press “**OK**” to begin browsing.
- You now have access to all the WVBS videos listed in this Viewer’s Guide, available on-demand, 24/7.

**Once the WVBS Channel has been loaded onto your streaming device, this printed version of this Viewer’s Guide can assist you in making a program selection.**

- Using your Streaming Device Remote, select the WVBS Channel seen on the Television screen
- Go to “**SEARCH**” and press “**OK**”
- Using the onscreen keyboard, type the title of the video as you see it listed in this Viewer’s Guide.
- Press “**OK**”
- From the list of videos displayed on the Television screen, select the video you want to watch.
- Press “**OK**” on your remote to watch your selection
