A guide of the video material available online, on DVD and on USB from World Video Bible School

The Viewer's Guide provides a complete listing of all the video programs available online from World Video Bible School (WVBS). This guide is available for download on the WVBS website at <https://video.wvbs.org/viewers-guide/> and is updated weekly.

What is in this Viewer's Guide?

All the WVBS video program titles in the Guide are listed by category. Each video program listing includes the author, the number of lessons in the program and the overall play time for the program. Except where noted, all video programs are available free for viewing online at the WVBS website <https://video.wvbs.org>, on streaming devices such as Roku, Amazon Fire TV Stick, Google Chromecast, Apple TV and on the WVBS mobile app (iOS and Android). Those video programs that are also available on DVD are indicated in the listings. Not all videos are available on DVD and a few video programs are available only on DVD. The Guide also lists materials, such as posters, which can be easily downloaded for free from the WVBS website <https://store.wvbs.org>. These materials are available in English as well as a number of other languages. **The program titles listed in this Guide provide a direct hyperlink to the video. On a computer, simply hover the cursor over the title and click (or, on a smartphone or tablet, tap the title) to open the selected video in a new window.**

Subtitles created by WVBS are available for many of the video programs listed in this Guide. Some Video Sharing Platforms, such as YouTube, will optionally provide auto generated English language subtitles as well as auto generate translation subtitles from English into a number of other languages

Videos available in American Sign Language (ASL)

The videos that are currently available in ASL are indicated here in the Viewer's Guide using an asterisk (*). For complete listing of the programs available in ASL, click on the 'ASL' tab under "Languages" on the WVBS website <https://video.wvbs.org/>.
